Florense Showroom Grand Opening

In honor of the Florense Showroom opening in New York City within the A&D Building, Manhattan magazine hosted a celebratory fete for interior designers and design enthusiasts alike to receive a special first look. Hosted by Nina Edwards Anker, Pablo Jendretzski, Valeri Pasquiou and TR Pescod, the evening entertained more than 150 guests who mixed and mingled within the gorgeous new showroom while enjoying savory bites, refreshing Peroni Nastro Azzurro, cocktails by Purity Vodka and coffee and espresso by Keurig.
